

# Kid's View

## Firelight is for kids!

When kids walk into the Firelight learning space, they know something exciting is happening! A puppet curtain, musical instruments, biblical costumes, ingredients for a snack—the sights, sounds, and smells of Firelight invite kids to participate, to learn, to wonder, and to belong.

When kids learn Bible stories with Firelight, their interests and strengths are engaged in multiple ways. Drama, storytelling, and games get kids moving. Science and computer activities encourage problem solving. As kids work on art activities and culinary creations, their artistic sides shine. The best part? Kids explore many Firelight Deeper Learning activities for each story, so they use their gifts and discover new ones too!

When kids emerge from Firelight, they are equipped to live out their faith in their homes, their schools, their neighborhoods, and their world. They have experienced the stories of God's love, Jesus' life, and the Holy Spirit's presence in exciting, vivid, and memorable ways. The story lasts in their lives because the learning lasts.

## A Typical Firelight Session
