

## CD Song Lyrics: Witness, Year Red, Semester 1, Age 2-Grade 4

Track 1: Creation Bounce  
Songwriter: David Scherer  
© 2003 Hip Hop Outreach

Bounce with me for the heavens and earth  
Jump with me for the ribs and the dirt  
Clap with me for the light and the day and the night  
God looked at it and said, "That's tight."

In the beginning God created the heavens and the earth  
The earth was formless and empty the day of its birth  
Darkness was over the surface of the deep  
The waters raged you would think God was asleep  
But don't worry God's got us sons and daughters  
The spirit of God is hovering over the waters  
Like a mother eagle hovers over the nest  
I know we'll get blessed so I don't even trip about the rest  
Without the mess there would be no creation  
Without the test there'll be no elation  
Sometimes you need day to have night  
God looks at it and says, "That's tight"

Bounce with me for the heavens and earth  
Jump with me for the ribs and the dirt  
Clap with me for the light and the day and the night  
God looked at it and said, "That's tight."

God said, "Creator's who I plan to be  
So I'll make the morning and the land and sea  
Can't forget the vegetation and the trees  
And I'll make my children like a family  
And I'll make a woman and a man for me  
And I'll blow into 'em give 'em a chance to breathe  
Then God did something that I can't believe  
The master craftsman askin' to dance with me  
So I bounced with God and I jumped with God  
And I rapped with God and I clapped with God  
Asking God what's it like to give life  
God looked at me and said, "It's so tight"

Bounce with me for the heavens and earth  
Jump with me for the ribs and the dirt  
Clap with me for the light and the day and the night  
God looked at it and said, "That's tight."

So what did those seven days do when God made you?  
Gave you great fruit and the days too  
Birds and fish nurture this  
As the earth twists person just work for this  
Treat it right see the light on my block  
Beast of the earth birds and the livestock  
Bounce giving God the praise when the waters rage  
In the modern days hollah and follow'll leave you all amazed  
God made us in the image so remember when our sin is finished  
then it's big forgiveness that is in us  
O.K. (OK) Alright (Alright)  
God looks at you and says you're so tight (2x)

Bounce with me for the heavens and earth  
Jump with me for the ribs and the dirt  
Clap with me for the light and the day and the night  
God looked at it and said, "That's tight."

Bounce everybody let's all get down  
Jump for the light that's all around  
Clap for the animals on the ground  
Dip if you're lovin' how nature sounds

Bounce with me  
Jump with me  
Clap with me  
It's so tight

Track 3: How the Promise Comes

Songwriter: Cathy Pino

© 2003 Cathy Pino

Arranged and produced by Richard Bruxvoort Colligan

Lead vocal by Cathy Pino

Abraham, Abraham

Listen to this word from the Lord

Abraham, Abraham

Soon your sorrow will be no more

Sarah, Sarah

I know you have waited so long

Sarah, Sarah

Soon you will bear a son

Count the pebbles in the ocean

Count the stars in the sky

Trust in me

You will see

How the promise comes by and by

Abraham, Abraham

This is my covenant with you

Abraham, Abraham

Though it sounds too good to be true

Sarah, Sarah

Now you laugh but soon you'll believe

Sarah, Sarah

Nothing is impossible for me

Count the pebbles in the ocean

Count the stars in the sky

Trust in me

You will see

How the promise comes by and by

Just have faith and just be patient

Just you wait and see

Count the stars

Count the sand  
Count on me and you will understand

Abraham, Abraham  
Once you thought your time had passed  
Sarah, Sarah  
God has brought you laughter at last

Abraham, Abraham  
See how your sadness is gone  
See your son, precious one  
See how the Promise goes on

Count the pebbles in the ocean  
Count the stars in the sky  
Trust in me  
You will see  
How the promise comes from my love  
How the promise comes from my love  
How the promise comes from my love

Vocals, Guitar: Justin Roberts

Angel of the Lord sat beneath a tree

Said, "Gideon, you're mighty, come with me, come with me."

Giddy-up Gideon, the Lord needs you

Giddy-up Gideon, the words are true

Giddy-up Gideon, the Lord needs you, needs you

Angel of the Lord said, "Don't you make a fuss

Why you gotta be such a doubting Thomas, Thomas ... I mean Gideon."

Giddy-up Gideon, the Lord needs you

Giddy-up Gideon, the words are true

Giddy-up Gideon, the Lord needs you, needs you

So clap your hands, raise your voice

Throw some meat on the rock and let's rejoice

So clap your hands, raise your voice

Throw some bread on the rock and let's rejoice

So clap your hands, raise your voice

Throw some broth on the rock and let's rejoice

The king put Daniel in the lion's den  
The lion's den, that's where he's been  
King put Daniel in the lion's den  
The lion's den  
And all the king's men

They thought Daniel'd be cryin'  
Because he'd be afraid of dyin'  
All on account of that lion and the king  
But instead they heard him sing.

#### CHORUS

He was singin'  
Here kitty kitty kitty kitty  
Won't you come kitty kitty kitty  
I am not afraid  
No, I am not afraid.

And you'd hear him sing  
Here kitty kitty kitty kitty  
Won't you come kitty kitty kitty do  
Cause the Lord is with me  
And the Lord is with you.

Then the king got Daniel from the lion's den  
From the lion's den, that's where he'd been  
King got Daniel from the lions' den  
From the lion's den  
That's where he'd been

They thought Daniel'd be cryin'  
Cause he'd be afraid of dyin'  
Because of that lion

But the king, instead he heard him sing

#### CHORUS

So the king put his men in the lion's den  
In the lion's den, for how they'd been  
King put his men in the lion's den  
In the lion's den  
For how they'd been

And he thought they'd be cryin'  
Because they'd be afraid of dyin'  
Yeah, because of that lion  
But the king  
Instead he heard them sing

They were singin'  
Here kitty, kitty, kitty, kitty  
Won't you come kitty, kitty  
And it did!

Jesus is born! Let's celebrate!  
We know God loves us so!  
For God came to us when Jesus came to us  
We know God loves us so  
We know God loves us so  
We know, we know God loves us so

Jesus is born! Let's celebrate!  
God loves us as we are!  
And when we make mistakes, and when we just forget  
God loves us as we are  
God loves us as we are  
God loves, God loves us as we are

Jesus is born! Let's celebrate!  
Our hearts have love to share!  
Like stars in the sky, like candles in the dark  
Our hearts have love to share  
Our hearts have love to share  
Our hearts, our hearts have love to share
