Evangelical Lutheran

Worship

Evangelical Lutheran

Worship is the new core worship resource for our church. It has been prepared by the whole church, for the whole church. This book of worship will be the center-

piece of a diverse, faithful, and grace-filled family of resources series that emphasizes:

- Keeping worship central to an ever-changing world
- Reaching out beyond the church with gifts of grace
- Supporting all congregations and worshiping communities, regardless of size, location, or style
- Diverse expression in worship
- Worship as central to God's mission and worship as that which nourishes us to take our part in that mission

This is an exciting time in our church, as we honor our Lutheran heritage while continuing to grow together in Christ. *Evangelical Lutheran Worship* is one way in which we can celebrate together with the whole church.
