

Selected musical resources for singing the psalms featured in

lasting hope

DEVOTIONS FOR LENT 2019

Key to music collections

ACYG = *Arise, Come to Your God: Forty-Seven Gelineau Settings of the Revised Grail Psalms*. GIA G-8769. An excerpted and edited collection of the Gelineau psalm settings included in the Psalter section of *Worship*, Fourth Edition (2011). Many of the original Gelineau collections are now out of print, so this collection is a most welcome addition.

ChildrenSing Psalms. Marilyn Comer, ed. Augsburg Fortress 9780800663872. This collection of 15 of the more well-known psalms is a must-have for anyone working with children's choirs. Reproducible singer pages and assembly refrains.

ELW = *Evangelical Lutheran Worship*. Augsburg Fortress. Contains all 150 psalms pointed for singing, and a core selection of 16 psalm tones.

5GP = *The Five Graces Psalter: Lectionary Psalms*. Luke Mayernik. MorningStar MSM 80-416. This collection features refrains for assembly singing and 4 part chanted verses for choir or accompanied cantor. The refrains and choir harmonizations are beautiful, although some of the refrains may be challenging for assemblies hearing them for the first time.

GTG = *Glory to God*. This hymnal from the Presbyterian Church (USA) provides full settings of more than 100 psalms as metrical paraphrases set to new and well-known hymn tunes as well as responsorial versions. Metrical versions are especially helpful when neither choir nor cantor is available to assist in leading the psalm.

Lift Up Your Hearts: Psalms, Hymns, and Spiritual Songs. Faith Alive Christian Resources 9781592555598. Includes all 150 psalms in a variety of settings for assembly singing.

MSB1 = *Music Sourcebook for Lent and the Three Days*. Augsburg Fortress 9780806670409. This volume and its companion volume for All Saints through Transfiguration contain a wealth of musical resources, including some psalm settings and gospel acclamations.

PATP = *Psalms Antiphons for a Time of Penitence*. Carl Schalk. Concordia Publishing House 984222. A collection of twenty antiphons set for 2, 3, and 4 part choir to be paired with commonly appointed psalm texts.

PSCY = *Psalms Settings for the Church Year*. 2 vols. Mark Mummert, ed. Augsburg Fortress 9780800678562. A collection of psalm settings in a wide variety of styles and structures. Includes all psalms appointed in the Revised Common Lectionary.

PWC = *Psalter for Worship: Year C*. Augsburg Fortress 9780806653051. The first of three volumes of psalm refrains by various composers with *Evangelical Lutheran Worship* psalm tones. Coordinates with Celebrate and Today's Readings inserts. Includes a CD-ROM with reproducible psalm texts, refrains, and tones.

TFF = *This Far by Faith: An African American Resource for Worship*. Augsburg Fortress 9780806633350.
